# Epitaphs...

For most of you, this is probably the first time you've seen a Boneyard Press comic in your store, ever. You might have heard about our first Dahmer comic, maybe even seen it on TV, but none of our other books. That's because Boneyard Press, as a whole, is being ignored by the powerbrokers of comics. They'd rather you stick with the proven sellers- the mutants, the spandex, the safe books. They are trying to ignore the fact that we've been around for two years, and will be for many years to come.

The littlier stores and distributors are supporting us in a big way. *We are a definite underground movement.* Those in the know are betting on the bad boys, the rude boys, the heretics. Us. The outlaw network.

When you're done laughing your ass off from reading this book go down to your comic store and demand to know why you've never seen this stuff on the shelves before. Demand that you see more of it in the future. Tell them you're sick of the gimmicks and the whore's paint. Make the corporate heads shiver in their sleep and reach for their mommies.

**Don't do it for us, do it for yourselves.**

Your rights are being trampled on right now. Boneyard Press lost a lawsuit with eight of the Dahmer victim's families. The original Dahmer biography is now banned in Wisconsin. We go back to court March 15, 1993. The families want all profits, legal fees and the book banned. No newspapers, publishing houses, or television stations are being attacked for their coverage in this manner. If this distresses you as much as it does me, then write to this greedy, ambulance chasing lawyer. He's responsible for the suit-

Thomas Jacobson

They won't take your rights away all at once, they'll do it in small pieces.

# *A RALLYING CRY TO THE FAITHFUL-*

BY THE TIME YOU SEE THIS IT WILL BE A NEW YEAR. *THAT IS, IF YOU SEE THIS.* BONEYARD PRESS IS TREADING WATER. WE NEED YOUR HELP. THIS ISN'T JUST ANOTHER CHEAP SALES GIMMICK, *THIS IS SURVIVAL.* YOU CAN DIRECTLY AFFECT THE LIFE OF THIS MOVEMENT.

WE NEED YOU TO BUY THE BONEYARD MERCHANDISE. WE NEED YOU TO PUT A GUN TO YOUR BUDDY'S HEAD AND MAKE HIM BUY *THE T-SHIRTS, THE COMICS, AND THE HATS.* THIS IS *YOUR* POWER. **YOU HAVE TO FIGHT FOR THE COMICS YOU LIKE.** THE POWERS THAT BE WOULD LOVE TO SEE GUYS LIKE US GO UNDER SO THEY CAN KEEP THE MUTANT STATUS QUO. IF YOU DON'T PUT UP YOUR ECONOMIC MUSCLE THEN YOU'RE BENDING OVER FOR THE CORPORATE BUTT FUCK.

BONEYARD PRESS IS MORE THAN JUST ANOTHER COMIC BOOK COMPANY. IT'S A COLLECTION OF ARTISTS WITH THE HUNGER. OUR GUYS ARE WORKING FOR PENNIES. THE CREATIVE CREWS BEHIND TEARS, RECTUM ERRRECTUM, AND THE JACKAL DON'T GET PAID AT ALL. WE HAVE A DRIVE TO CREATE, TO TELL A STORY WITHOUT SOME SORRY SUNUVABITCH LEANING OVER OUR SHOULDER'S CALLING THE SHOTS. WE'RE NOT WORRIED ABOUT OFFENDING MINORITY GROUPS, LAWSUITS, IMPROPER SUBJECT MATTER OR ANY OF THAT POLITICALLY CORRECT BULLSHIT. WE JUST DO IT.

NOW IT'S YOUR TURN TO DO IT. YOUR COMIC BOOK STORE HAS UNTIL THE 15TH OF EVERY MONTH TO RESERVE IT'S ORDERS FOR BOOKS SHIPPING A MONTH LATER. RESERVE YOUR COPIES NOW, AND BUG YOUR STORE TO ORDER MORE COPIES FOR THE STANDS. WITHOUT A VOCAL DEMAND THE STORE OWNERS WILL NOT TRY ANYTHING NEW OR DIFFERENT. TELL ALL YOUR FRIENDS ABOUT US. TELL STRANGERS ABOUT US. SMALL PRESS COMPANIES CAN'T AFFORD MASSIVE AD CAMPAIGNS- WE LIVE FOR WORD OF MOUTH. IF YOU CAN'T FIND OUR BOOKS, THEN WRITE TO US, OUR ADDRESS IS IN THE MORGUE AD. YOU SEE THE ADS FOR ALL THE GREAT STUFF, CHECK IT OUT.

BONEYARD PRESS FANS ARE A BREED APART. THEY ARE BROTHERS OF THE SHADOWS LOOKING FOR THAT SPECIAL GLEAM IN THE EYE OF THE WOLF. IT'S TIME TO CLOSE RANKS AND SHOW YOUR MUSCLE. THIS ISN'T A NOTICE OF IMMINENT DOOM OR A BEGGAR LOOKING FOR PITTANCE. THIS IS A CALL TO ARMS. I THINK YOU KNOW WHAT TO DO, *DO IT.*

The fight for our 1st amendment rights is going on right now. These fights are real and have a direct effect on you, the reader. Someone you don't know is deciding, *right now*, what you should or shouldn't be reading. There are distributors in California that *refuse* to carry Boneyard books. The biggest retail chain in Texas avoids us like the plague.

We need *your* help to continue the fight and to keep publishing the books no one else has the balls to publish. *You* need to fight for *your* rights and buy the Boneyard shirts and hats. *Your dollars will be used to continue the battle against the politically correct right wingers that would love to silence us.*

It's time to let the world know how strong Boneyard Press fans are. Show the sheep your fangs, step out from the shadows and let your growls be heard. Pass the word, *demand your books*. If retailers say they can't find our stuff, shove this page in their faces and point to our address. Rip the duct tape from your mouths and make your orders now! Give us your strength.

Don't tell anyone you have 1st amendment

# Dark Angel:

*In 1991 Boneyard Press clawed it's way into comic stores with it's flagship title Dark Angel, the chronicles of a serial killer in search of his soul. Johnathan Gabriel seemed like the typical boy next door until he killed his neighbors and friends in a dark frenzy only to disappear. It's Boneyard Press's longest running book, appearing for three issues under it's own title and then in a spurt of mini-series (Devil's Bite, and The God That Failed). Written and drawn by controversial writer Hart D. Fisher, it's a kick in the face exploring territory only dreamed of by Faust. A new Dark Angel title will be in stores in time for his 2 year anniversary in May, 1993, in the mean time, find out what you've been missing.*
